FRANCHISECLUES · OWNER GUIDE

Own a Cost-Reduction *Consulting Business*

One of the business models our advisors are excited about right now. We start with how it works; the name, and the full story behind it, come in a one-on-one conversation.

01 WHAT IT IS

Every company overpays *somewhere. You find where.*

and more of the bills every business pays

02 HOW IT WORKS

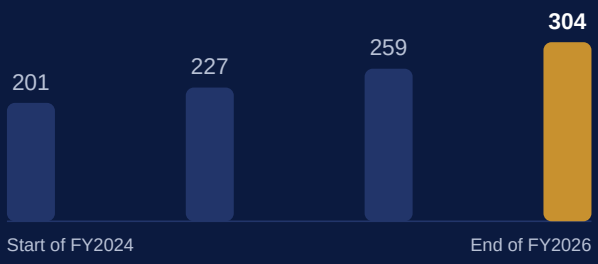

1. **You** *win the client*
2. **Head office** *does the analysis*
3. **The client** *pays from savings*

03 THE NUMBERS

$591,896*

Average new client fees signed by the top 25% of full-time owners, 12 months to Feb 28, 2026

U.S. OFFICES

04 WHO IT FITS

- ✓ **Run from home**
  No storefront, no inventory
- ✓ **No category expertise needed**
  The analysts handle the bills
- ✓ **Built for professionals**
  Sales, finance, operations, management
- ✓ **$75,300 – $85,550**
  Total initial investment

Curious? Let's talk it through.

A short call covers the name, the fees, your market, and how it compares with other options.

franchiseclues.com

*Average Annual Secured Revenue of the top 25% (22) of 88 full-time franchisees (15+ hours/week), U.S. and Canada, 12 months ended Feb 28, 2026; 6 of 22 (27%) reached it. Revenue received or expected under contracts signed in the period, before fees, costs or expenses. Not profit. Office counts and investment per the franchisor's September 2026 Franchise Disclosure Document. Some outlets have earned this amount. Your results may differ; there is no assurance you will earn as much. General information only, not an offer to sell a franchise or financial, legal or tax advice.
